

TEMPLE FORTUNE FOOTBALL CLUB

**CELEBRATION FOOTBALL TOURNAMENT
FOR THE JACK KYTE CHALLENGE CUP
TO COMMEMORATE 40 YEARS OF TFFC
AT PRINCES PARK
ON SUNDAY 28TH DECEMBER 2008**

There can be nothing more fitting to celebrate the Club's 40th anniversary than to play football on the very pitch where it was formed. So the special event at Princes Park three days before the year ends has enormous significance to the founders of Temple Fortune Football Club. But more than that, it offers other Club Members the opportunity to share in a sense of history.

Nigel and Peter Kyte, whose parents owned a house adjoining the Park, are delighted to welcome all participants to an important location which was so instrumental in the Club's formation. It was there that a group of carefree youngsters kicked about amongst the trees for a number of years before founding the Club.

At stake for this fun tournament is the JACK KYTE CHALLENGE CUP, a competition which has run since Jack's passing in 2003. Many a time he would frequent Princes Park with his wife Ruth and their boxer dogs. Jack's keenness for photography gave the Club a legacy which has played a big part in the TFFC history; his work can be seen throughout the website.

A visit to the history section on there will reveal considerably more information to those interested in TFFC. For now, this publication carries the event's schedule, team colours and general rules.

Thank you for being a part of the 40th anniversary of Temple Fortune Football Club. We sincerely hope you enjoy the occasion.

TFFC SILVER ANNIVERSARY IN 1993

Temple Fortune FC celebrated its Silver Anniversary by staging two Past v Present matches at Bethune Park at the beginning of the 1993/94 season, both of which were effectively the first Old Boys games arranged by the Club. Also held was a special commemorative match on 13th June 1993 at Princes Park where the embryonic kick-about were played leading up to the Club's formation. The participants, mostly Honorary members, wore TFFC kits used over the years and played a four-aside game on the notorious 'lower' pitch by the tennis courts. From left to right, back row: Peter Kyte, Jonathan Davidoff, Nick Waitsman and Bryan Silver. Front row: Nigel Kyte, Brian Melzack, Tony Espinoza and Phil Friend. Each received a framed captioned photograph to mark the occasion.

COMPETITION RULES

1. The touchline boundaries of the pitch will be the edge of the path on one side in front of the fence, and the marker cones on the other side. The goal lines are imaginary lines between the 'posts' extending to the pitch extremities. The penalty area boundaries will be defined on the day.
2. The team listed first in the schedule will defend the higher goal and kick down the slope. The team listed second will defend the lower goal and will kick-off.
3. The duration of each group game is 10 minutes straight through. There is no half time. In the Final, the duration will be 8 minutes each way. The group runners-up will kick down first and the group winners will kick-off, reversing in the second half.
4. After a goal is scored, the game restarts from the penalty area by kicking the ball. The ball must leave the area before it is deemed to be in play.
5. Rush goalkeepers apply. Any defending player nearest to his goal line may handle the ball, but the ball must leave the penalty area before a second defending player may handle.
6. Throw-ins and corners will be taken as per normal. There is no offside.
7. Goals cannot be scored from the opposing half.
8. The height of the imaginary crossbar will be approximately 6 ft. The referee will be the sole arbiter regarding what constitutes a goal or not in this regard.
9. A penalty will be awarded against the offending player's team for any of the following offences:
 - a) Handball by any defending player inside his own area **other** than the defending player nearest his own goal line.
 - b) Handball by more than one defending player inside the area without the ball first leaving the area.
 - c) A "last man" (professional) foul by a player anywhere within his own half to prevent an obvious goalscoring opportunity.
 - d) Any reckless foul anywhere on the pitch worthy of a caution (yellow card) or a dismissal (red card) in a normal game.
 - e) Deliberately kicking the ball a distance away as a time-wasting tactic.
10. In the group, 2 points will be awarded for a win and 1 point for a draw. In the event of the group being tied on points by 2 or more teams, irrespective of goal difference, the group positions will be decided by the following order:
 - a) Founders' team
 - b) Old Boys 'B' team
 - c) Old Boys 'A' team
 - d) First team

Example: The Old Boys 'B' team tie with the First team on points; in this case, the Old Boys 'B' team will take the higher position.

11. If the Final is drawn, there will be a penalty shoot-out in the higher goal to determine the winners. Each player will take one kick alternatively. If tied, the shoot-out will be decided on a 'sudden death' basis. The group winners will decide whether to take the first or second kick prior to the shoot-out commencing.
12. All questions regarding interpretations of these rules, or of any point not provided for by these rules, will be referred to the organiser whose decision will be final and binding on all concerned.
